

Wireless Wi-Fi & GSM Alarm Kit

ALM1000

The amalock Wireless Wi-Fi Alarm Kit is easy to install to protect your home and commercial property. Whenever a motion is detected or a contact is activated, the alarm alerts your mobile device to send you a notification that your alarm is sounding.

Kit includes:

- > 1 x Door/Window contact
- > 1 x PIR Motion Sensor
- > 1 x Internal sounder Control Hub
- > 2 x Remote Controls

Features include:

- > Backup battery powered (in case of mains failure)
- > Set zone type, eg; Away, Home, SOS
- > Store 6 different mobile numbers to call if activated
- > IOS and Android phones are supported
- > DIY install
- > 100db (decibel)
