

Smart Wi-Fi Home Camera

CAM1500

The CAM1500 smart camera combines sleek design with powerful 1080P HD video and reliable Wi-Fi connectivity for everyday security.

Featuring human detection, motion tracking, and sound alerts, it keeps you aware of activity in real time. Two-way audio and video calling allow instant communication.

With colour night vision, 360° coverage, and up to 128GB storage supported, it's a flexible, subscription-free monitoring solution built for modern homes.
